

Books that I love

Here's a roundup of my all time favorite books by genre

FANTASY

SCI-FI

CLASSICS

YOUNG ADULT

NAME OF THE BOOK
NAME OF AUTHOR

In this fantasy, the first of a new trilogy, the world's magic comes at a terrible cost: a witch's own finite life force, which drains away with each spell. The sole exceptions are the immortal Magisters, who secretly tap a more murderous fuel for their power. No woman has ever found its source, until young Kamala, hardened by life as a child whore, insists on an apprenticeship and secretly becomes an unheard-of female Magister. Mean-
